Protecting and Serving Manchester since 1998

As respected members of the local business community, we would like to share a unique opportunity with you, with the hopes that it will be mutually beneficial to your business, as well as The Manchester Police Mounted Unit.

Chief Aldenberg has approved this unique sponsorship opportunity for our Mounted Unit. He has approved the placing of large corporate logos on our high profile horse trailer. This rare opportunity can benefit your organization in numerous ways that we hope will be appealing to you.

Listed below are some of the ways your business can benefit:

- Our horse trailer travels the streets of Manchester daily, and is seen by thousands of people each day.
- The Manchester Mounted Patrol attends approximately 150 large public events, and numerous private events each year. The trailer is present for all events.
- The Manchester Mounted Patrol attends approximately 25 large out-of-city events including the Hillsborough County fair. This event alone is attended by approx. 5,000 people who see our trailer and the horses. We also attend multiple small events out-of-city.
- The Friends of the Manchester Mounted Patrol is a non-profit organization (501C-3), therefore sponsorship is tax-deductible.
- The Manchester Mounted Patrol attends numerous parades each year, giving us exposure to several thousand people each parade.
- No other government vehicle in the City of Manchester has corporate logos on them, thus making your logo become even more unique and high-profile.

The Manchester Mounted Patrol is a non-profit organization that relies on raising money to pay for expenses associated with operating a Mounted Unit. These expenses average approximately \$10,000-\$20,000 per year. These expenses include items such as grain and hay for the horses, veterinary care, dental care, equipment and saddle expenses, barn expenses, and training. None of these expenses are covered by the City.

We rely heavily on the generosity of the community to keep our organization operating. Each sponsorship agreement will be for a one-year term, and can be renewed annually. The sponsorship options are listed on the next page and range from \$200-\$3,000.

We hope you will consider being a part of this unique sponsorship opportunity, and consider becoming a corporate sponsor of the Manchester Mounted Patrol. We truly believe that this type of partnership can be mutually beneficial to everyone involved.

Sincerely,
The Manchester Police Mounted Patrol
